With the first leaves of fall comes the excitement and anticipation of another great year to come. The spirit of football games and the regality of homecoming adds an air of gaiety to a school already bustling with activity. New classes, and new friends are the rewards of this anticipation.

Winter snows bring to Harding an aura of quiet and serenity. The excitement of fall has died down and students concentrate on studies and the approach of semester exams. The coldness outside draws the students together in a cozy atmosphere of contentment. Full of fall memories and anticipation of spring exuberance, the students settle down to wait patiently for the first signs of spring.

Selected representatives are sponsored each year to Boys' and Girls' State by the American Legion and Auxiliary. Summer

'67 saw Steve Prater, Cynthia Ritzler, Al Kates and Beth Harriman conference bound.

Jay Kraner and Carol Severns are presented their winners plaque as Champs in the J.C. Safe Driving Roadeo.

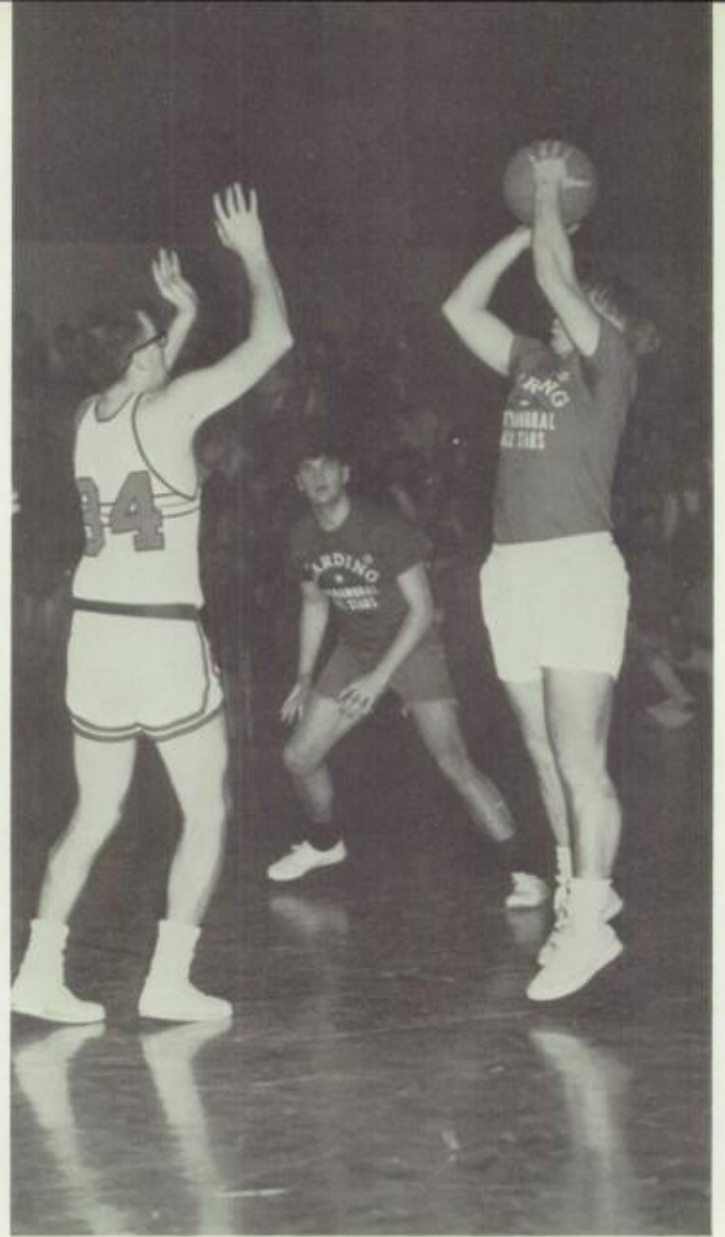

Stalwarts of the Vocational Department volunteer their blood at the Red Cross Mobile Visit and set an example that other healthies followed.

Presenting the often in demand musical "Sweet Sixteens:"

Row 4—D. Williams, A. Washburn, M. VanGorden.

The passing of the snows leaves the serenity behind and students come out of hibernation to fill the tennis courts and to take bicycle trips with their friends. A new excitement surges through the veins of Harding. Spring sports, graduation and summer plans captivate the thoughts of students through the spring until the final moment of commencement.

The Queen City was the setting for the World Affairs Conference; Netherland Plaza the place. Harding representatives well versed were Dave Lord, Lynn Quigley, Finn Skagen and Bill Smith.

Carolyn Calhoun and Karen Mendenhall, nominees from Harding for the summer AFS program abroad give and take language pointers from personable Finn Skagen, Norwegian AFS representative of international understanding.

Introducing Kunkle Vocal Ensemble, a '67 vocal innovation: *Seated*—Faye Hardman, Carol Dean, Vicki Blackford, Patricia McMahon. *Standing*—Cheryl Smith, Ann Washburn, Roberta Maxwell, Debbie Kunkle.

Harding's Representatives

Beautiful! A first in Golf championships.

We are proud of Vicki, second runner-up in the Miss Heart of Ohio Contest.

With the arrival of the Junior Senior Prom, final exams, and commencement rehearsals, Harding students realize that another school year is coming to a close and another chapter has been written in the book of Life. For seniors it is a time of excitement and pensiveness for they know that soon they will no longer be part of the Harding student body. For the juniors and sophomores, summer brings but a brief repose at the end of which promises to be another year filled with all the things that make a school year a memorable experience.

ACTIVITIES . . .

Student Council Motivates Progress

Row 1—S. McCracken, D. Pierce, J. Thomas, C. Hunt, C. Shipley.
Row 2—K. Cornell, C. Smith, C. Barkley, J. Scott, F. Hoffman.

Row 3—D. White, M. Milligan, T. Conley. Row 4—D. Merchant, J. Williamson, R. Barnes, B. Snyder.

A remunerative project as it continues to meet the needs of our academic metropolis is the Student Council Book Store. Under the leadership of Bill Snyder, Dave White, Cheryl Smith, Randy Barnes, and Kathy Cornell members of this Student Congress, chosen each spring in popular elections, engaged in a variety of activities including the "Sadie Hawkins Dance," homecoming festivities, new student visitation days, and "Pride in School Week."

The educational service of conducting school elections is interesting in its involvement. Members of this legislative group are chosen each spring in popular election. These selections, run like a small scale city election, climax after the candidates circulate petitions, gather the required number of signatures, enter the primary run-off, and if successful go into the election. Potential voters must register in designated precincts, and vote in the primary and election, according to official rules. Faithful advisors have been Miss May, Mrs. Linscott, Mr. Howison, and Mr. Penry.

Recognition of outstanding and deserving teen-agers in Marion County was once more the aim of the Teen-Ager-of-the-Month Committee, under the sponsorship of the Marion Star. Representing Harding on the county-wide committee to honor worthy students were Phil Hamburg and Cheryl Barkley. A student who becomes a nominee from his school month by month must maintain a good point average, be a leader who is respected by classmates and faculty, and show enthusiasm for life and have definite plans for the years which lie beyond graduation. With the program in the County's excellent centralized academic centers becoming broader each year, competition gets harder and harder for city high school goers to be selected. Harding faculty and students were grateful that the laurels were picked up by our AFS visitor to the Netherlands last summer, Mary McMahan, and Prexie booster Cheryl Barkley. Busy as their schedules are Advisors Rees and Creager give assistance to the nominees placed in competition each month.

Scientists Widen Technical Horizons

The Math-Science Seminar, successor of the Joe Berg Society, is the organization giving Harding Students interested in math and science an opportunity to explore the various areas of these vital fields in to-day's complicated world. Programs brought by various experts and field trips are arranged by the advisor Mrs. Mary Reeser. A sample of the type of programs presented this year included a talk on the ruby laser, food in space, and a presentation by the Bell Telephone Company. Field trips to Eaton Manufacturing Company, the Center of Science and Industry in Columbus, and to the Marion General Hospital highlighted the travelling agenda for this year.

To qualify for membership in the seminar, a candidate must be an excellent student, and receive an acceptable score on a competitive math-science aptitude test. All Seminar members must present either a project or a research paper to the group and enter it in the Marion Science Fair.

Science projects are the result of faithful members doing great research in their quest for knowledge.

Philologists Explore Foreign Cultures

SPANISH CLUB—Row 1—L. Halsey, N. Postle, C. Dean, A. Hecker, J. Severns, J. Allen, D. Mullins. Row 2—Mrs. Smith, G. Horn, L. Kabana, C. Jones, M. Dale, J. Laird, Mr. Grime, K. Koepfel.

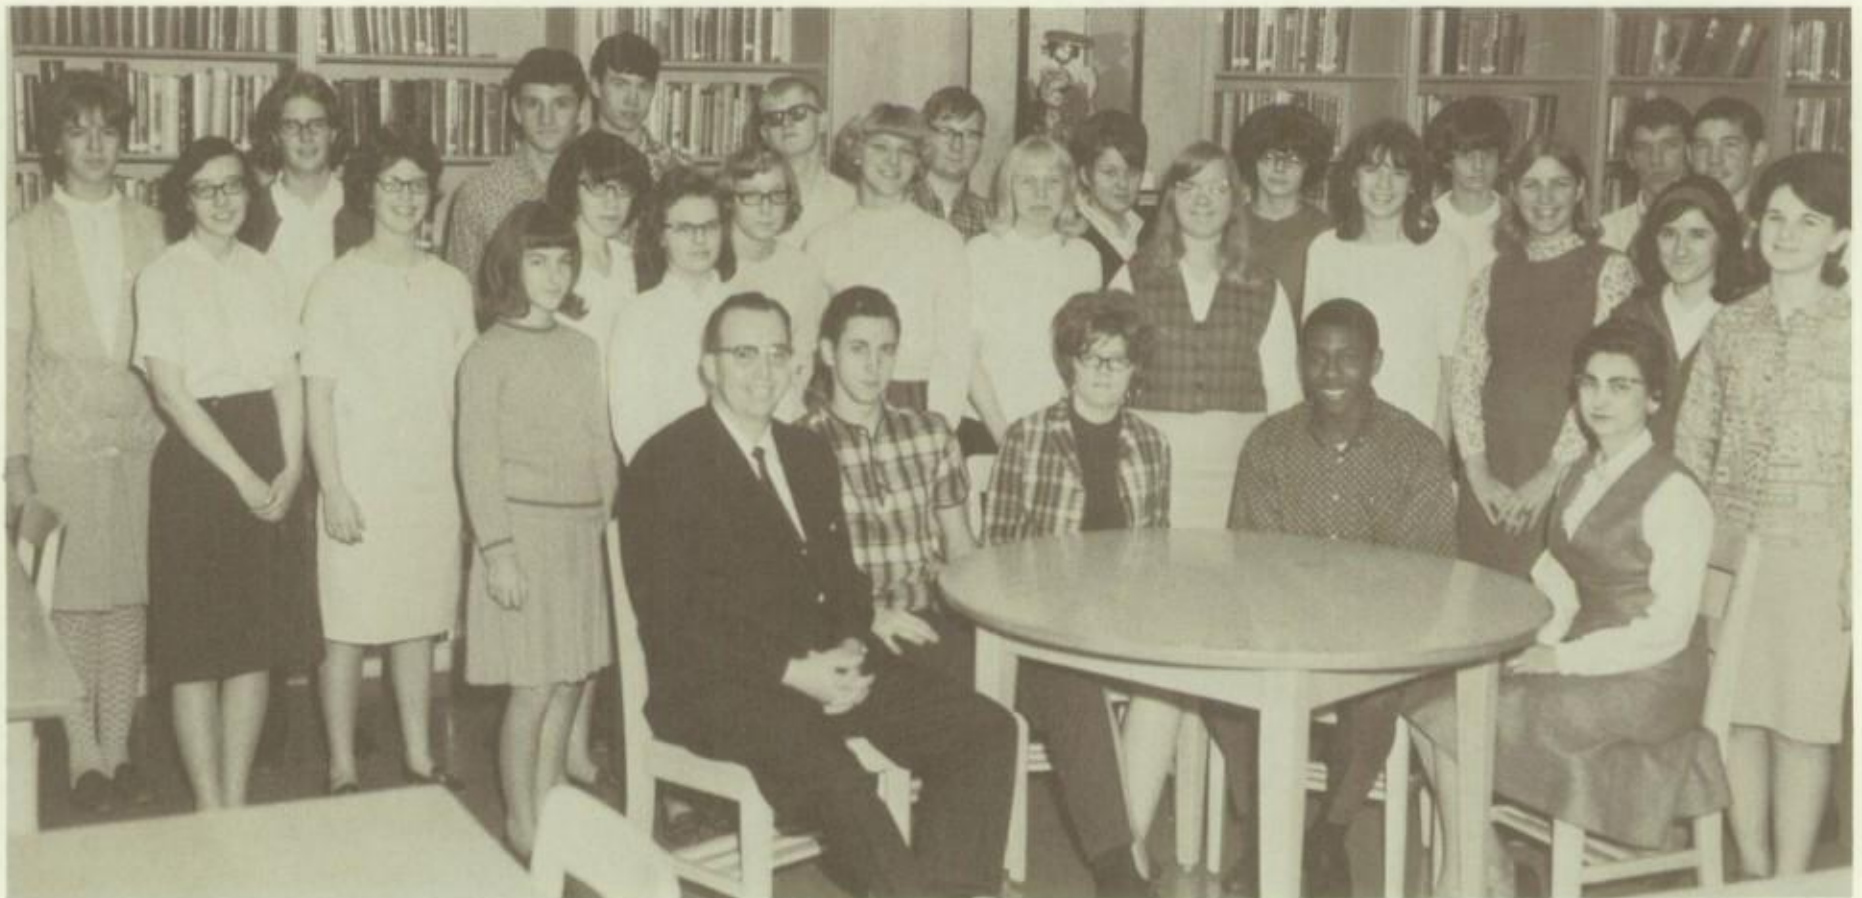

To expand their knowledge of the interesting people of France and the colorful customs native to them, French Club members were deeply interested. Proficiency in the use of the language is uppermost in club planning. Highlights of the Club's activities were a Christmas play and the singing of carols in French at the December meeting. At the home of the Advisor Mrs. Virginia Alexander the annual dinner of student-prepared French cuisine, in January was a winter treat. The special project for this year was the sending of soap, clothing, and other badly needed articles to Vietnamese orphans. This was brought about through letters sent by Mrs. Alexander's in service son. French Club officers were Cheryl Click, Nancy Severance, Cindy Hunt, and Carol Wilcox.

Members of Harding's Spanish Club strive to increase their knowledge of the Spanish language and customs. Dialects and customs peculiar to different Spanish speaking nations were the topics of the meetings which were held under the direction of their Advisor Mrs. Carolyn Smith. At most of the meetings the students conversed in the language of their research. Programs also included guest speakers and special activities such as the student prepared Mexican dinner. This year the Club was under the leadership of Mary Dale. Assisting Mary with the executive duties were Vice-President Gary Horn, Secretary Donna Mullins, and Treasurer Linda Halsey.

Unselfishly members of the Library Council donated their time and efforts toward the smooth running of the Reading and Research Rooms. Because of the assistance with routine, Librarians Couch and Parrot and Secretary Griffith were able to shelve some 1375 new books this year and arrange the tables so all Language Arts students could view the Book Fair when over 800 books published in 1966 were on display. Students and Faculty are privileged to purchase at the school rate. Literary officials at the helm have been Gary Horn, George Taylor, and Nancy Smith. A highlight of the social calendar was a picnic May 28 at the Delaware Reservoir. Good wishes were combined with good times to offer congratulations to Mr. Couch who is assuming a Librarianship in Sandusky.

Council Members Systematize Reading Area

The purpose of the Harding Debate Club, formed only last year, is to develop mental and organizational spontaneity as well as to further the participants' experience in group address. Coached by Robert Webb, members motivated by academic requirements, or perhaps just a sincere interest in debating, engaged in inter and intra-school debates. In this day of need for careful research, critical thinking, and intelligent conversational advance as well as rebuttal, Forensic is most valuable. With Marion Catholic Debate Team the national topic, "Resolved: Foreign Aid should be limited to non-military assistance," was debated. Harding, years ago, under Coach Thomas Bain had strong teams; it is well to see this intellectual pursuit revised. Officials have been Debaters Babich, Dietsch, Merchant, Ritzler.

Debaters Present Logical Arguments

Audio-Visualists Serve School Faithfully

The Visual Aids Club has become a very important part of Harding High School since its organization only two years ago. These ten boys provided the strength and assistance needed by Harding's 70 teachers in using projectors, recorders, and other visual and auditory equipment. When you consider that "their beat" covers fifty-four different classrooms and sixty pieces of equipment, you can get an idea of the scope of their faithful efforts. The projectionists must maintain a C average, with no D's, and be completely reliable and responsible. Al Kates was president, while Tom Baker was program chairman of the social event climaxing the year.

Places, everyone! Lights! Curtain! Action! Students interested in dramatics take part in Props & Q's, under the direction of Mr. Webb who, with guest speakers, presented programs featuring lighting, make-up, characterization, and set construction. Dr. Charles Dodrill, director of dramatics at Otterbein College, discussed the opportunities for young people in today's theater. In December, "A Green Christmas" was presented to an assembly. Field trips were taken to Otterbein to see "Brigadoon" and to Ohio State to see "How to Succeed in Business Without Really Trying." Glenna Evans, president; Cyndy Ritzler, vice-president; Carolyn Calhoun, secretary; and Bill Snyder, treasurer, conducted the business meetings.

The job which appears to be so easy for the disc jockeys is really quite complicated, and no one group of students appreciates more the work that goes into a radio program than the members of the Harding Reporter Staff. Under the direction of Robert Webb and Cathy Merchant, student program chairman, these reporters were taught the fundamentals of writing scripts, speaking distinctly, and captivating the interest of a listening audience. From the last note of the theme song, every program was filled with news, sports, and special features, including the '67 innovation, A Christmas play. At the Awards Assembly members were presented the familiar microphones, by their sponsors WMRN in recognition of their diligence.

Before actually enrolling in the academic courses necessary for an RN degree, members of the Future Nurses are given many opportunities to learn of the profession through bi-monthly program meetings. A tour of Marion General Hospital, talks by members of the profession, advice from Harding Grads in training, and a potluck supper on the social side provided a busy calendar. Mrs. Barbara Truka supervised the careful planning of the officials Bev Bishop, Saundra Healea, Sue Daas, and Sally Toman. Seniors work as "Blue Girls" year-round at General Hospital while junior members carry out the school year's club program, then get their "On the job" training at MGH during the summer. Some members "volunteer" their services at Community Memorial where they feel the gratitude of the patients is pay enough.

Throughout the year, Harding's Chapter of Future Engineers of America met to learn about opportunities in the various fields of engineering. Membership in the club is open to juniors and seniors who are enrolled in math and science courses that will permit them to enter an accredited college of engineering or science. Advised by Mr. Hazelett, the students enjoyed informative programs composed of films and speakers from the Marion Chapter of the Ohio Society of Professional Engineers. Highlights of the year included a radio panel—discussion program during National Engineering Week and a field trip to Chicago to see the Museum of Natural History and the Museum of Science and Industry. Club officers this year were David Horstman, Bill Barnhouse, Mike Hill, Peter Vogt, John Scharer, Bruce Humphries, and Keith Kurz. President Dave was recognized as Engineer of the Year at the annual banquet.

The year 1967 marks the thirtieth anniversary of the national Future Teachers of America. Throughout the school year, the club programs of Harding's Louise Cunningham Chapter reflected the FTA's purpose of learning about the teaching profession and its opportunities, problems, and roles in today's world. Program speakers discussed such topics as elementary teaching, secondary education, the first-year experiences of new teachers, teaching problems, guidance, teaching organizations, and college preparation for a career in education. In March, members visited elementary schools in the Marion area to gain firsthand knowledge of teaching principles. The annual FTA banquet was held April 25. Advised by Mr. Emery, members of the club are seniors interested in exploring teaching as a career. This year's officers were Laura Simons, Linda Keefer, Sharon Lucas, and Carol Wilcox.

Junior Achievers Experience Manufacturing World

Junior Achievement gives high school students opportunities to participate in the free enterprise system by forming corporations, selling stock, manufacturing and marketing their company's products, and if successful, paying dividends at the end of the year. Sponsored by local industries and advised by company officials, J.A.er's had a busy year. There were seven companies operating at "full speed": Ealton, Fairco, Whirry-Co., Whirl-Job, Flamco, Hubarco, and Steelco. Techniques acquired and salesmanship developed were on a number of occasions demonstrated by members who appeared on programs offered before service clubs and industry. In November some thirty Junior Achievers traveled to Lima for a Management Conference where they attended seminars, workshops, and a banquet at which Tennyson Guyer challenged them with his theme development "You Can Be Anything You Set Your Star On."

Art Creates Its Own Realm

March 16 the Harding gym was transformed into a cultural center as the setting for the second Festival of the Arts. The Harding Orchestra provided the musical phase while students of the city classes, instructed in the media of painting, ceramics, weaving, jewelry making, and advertising, amazed the viewers with their professional touches. Many Harding students are able to invest their interests two periods a day as they study the world of art under their instructor, Mrs. Judy Felgar. The show case outside the art room was filled periodically with both the usual and unusual creations of interested students. The art department also provided posters for school and civic functions. The beauty of Harding is greatly enhanced by the efforts of students willing to share their talents.

Vocationalists Have Advantages

Distributive Cooperative Training is designed to provide vocational training on a part-time basis, for high-school boys and girls, usually during their junior and senior years. For one-half of the day, establishments of employers are used for training students in actual occupational activities.

Candidates for DCT must meet requirements in the following: aptitude, teacher recommendations, attendance, and subject proficiency. Throughout the year DCT participants attend classes from eight until noon. The afternoons provide opportunities for gaining work experience at jobs in Marion businesses. All together each student accumulated at least two thousand clock-hours of valuable experience and training.

"Preparing for Leadership in the World of Work" is the purpose and motto of the Vocational Industrial Clubs of America. Through this closely knit group, young men of VICA gain valuable insight and experience in the field of competitive endeavor. Members of this organization are students in the Trade and Industry classes at Harding. During the school year, trips to local industries and an Industrial convention in Columbus made time invested worthwhile for the members as they were more and more made aware of their future in Industry of America. Mr. John Furrer is assisted in his advisorship by the other instructors of the vocational department.

A casual visitor to the print shop cannot possibly be aware of the great amount of time consuming effort that goes into the activity which takes place in this confined area housing presses, type-setting table, and dark room for negative processing. From these presses roll sports programs, grade cards, tickets, posters, and tags, worn to boost school spirit in athletic contests. Programs provided by and for Print Club members gave valuable insight into the world of print. Guest speakers and field trips gave practical application of the wide-open program offered by the graphic arts. Apprentices of the printing classes, instructed by Mr. Brooks, are discouraged from becoming clockwatchers.

DECA, Shoshonean Gain Practical Experience

Row 1—L. Anderson, P. Brown, T. Davie, J. Gwinner, J. Knight, P. Rowland. Row 2—M. Bailey, J. Brutchey, V. Emery, A. Hayden, M. Leeper. Row 3—S. Bond, L. Clark, M. Francis, D. Higgins, C. Rank. Row 4—K. Crissinger, N. Fridley, S. Jones, M. Sewald. Standing—Mr. Sheskey, L. Woolum, G. Taylor, B. Stout, M. Berry.

The Shoshonian Club is a branch of the Cooperative Office Education Association. Members were gainfully employed as Medical assistants, filing clerks, typists, receptionists, assistants in schools, accounting assistants, banking clerks, and secretaries in local businesses. Meetings of the Shoshoneans were held at homes of COE students each six weeks. Two bake sales were held to raise money for the Employer-Employee banquet which was held May 22 at Courtesy Inn. Martha Cline was presented a trophy as the outstanding COE pupil having been selected by her fellow members. Secretarial Officials were Phyllis Franklin, Martha Cline, Sharon Griffin, and Donna Ryan.

DECA members feel that in order to develop responsibility and mold a well-rounded person it is necessary for them to work in the community sharing its problems and rewards. Membership in the Distributive Education Clubs of America provides Harding students with the opportunity to become an integral part of community life in Marion. Along with their out-of-school work, DECA participants attended the Northwestern Ohio Leadership Conference at Ashland College. To climax the year, the group held its annual Employer-Employee Banquet. Faithful officers were Paul Brown, Cathy Crissinger, Linda Clark, Valerie Emery, Mike Leeper.

Office Assistants Function As Couriers

BOYS' GUIDANCE — Row 1—J. Massie, J. Thomas, S. Obenour, V. DeBolt, C. Yager, C. Munz, C. Haines. Row 2—P. Russell, B. Rubins, C. Wilcox, K. Mendenhall, G. Roper, S. Gilbert. Row 3—Mrs. Rowley, C. Barkley, P. Franklin, K. Franklin, L. McMahan, B. Beach, A. Harlow, D. Jessie, D. Hill.

Saving valuable time for the guidance and administrative offices, the office assistants are helpful couriers as they distribute absence lists and call clips, and pick up absentee cards. These "right hand" girls also man the offices when secretaries and administrators are gone. They take telephone messages from the new PABX, central receiving station, and direct visitors and Harding citizens to the places where proper attention can be given them. It is obvious this faithfulness diverts much needless disturbance from the General Office and offices of Miss May, Mr. Penry, Mr. Howison, and Mr. Rees.

Marching Band Adds Musical Touch to Football and Parade Festivities

After the shrill sound of the drum major's whistle had pierced the air, and the thunderous rolling of the drums had begun, some one hundred musicians marched onto the gridiron to present thrilling performances. Highlights encompassed four spirituals and a fire dance performed by the majorettes with flaming batons. The superb direction of Mr. Miller and Mr. Becker, the leadership rendered by the Marching Band Council, and the persevering practices of members, often in inclement weather, helped make this year's season an extremely successful one. The band also serenaded Ohio State Fair visitors, participated in a number of parades, and traveled to the Lorain and Sandusky games. Selected on the basis of scholarship and leadership, fifteen members elected to the Marching Band Honor Roll, were recognized at the annual Band and Orchestra Awards banquet in January.

Stardusters Interpret Jazz

Headlining a year which included musically entertaining the three junior highs, Marion Catholic, local service clubs, and playing at several proms, the Fifth Annual Starduster Review was publicly presented in April.

This year's Band consisted of sixteen members and eight alternates. Special acts by Scott Blackford, Vicki Blackford, and Jack Scott, singers; Diane Howard and Pam Wilson, dancers; and Marie Little, an amplified-flute player, were chosen in competitive auditions.

Once again the Stardusters' combination of favorite stand-bys, current hits, and novelty numbers joined to make a colorful, unique, and pleasingly memorable program.

HOMECOMING

The Queen escorted by President Snyder.

1966

Royalty reigned at the Harding High School Stadium on October 1, when Cheryl Smith was crowned the 1966 Homecoming queen. At the opening of the festivities, Cheryl and her Court, composed of Paula Louck, Cheryl Barkley, Kathy Werbel, and Martha Brickley, were escorted by their fathers to the center of the football field. The band created a triumphal background for the girls and added a regal atmosphere with its presentation of several appropriate numbers. Crown-bearer Kent Smith and Flower-girl Jenny Fredritz assisted as Mr. Richard Smith crowned his daughter, and Queen Cheryl graciously expressed appreciation for her cherished moments. Dave Sifritt serenaded the radiant queen with the traditional Sweetheart song. After the ceremony, the girls proceeded to their throne which had been constructed by members of the Student Council. From this vantage point, the Queen and her Court watched the second half of the Fremont game. Afterwards, a semi-formal dance was held in the brightly decorated lunchroom. As a climax to a wonderful evening, the Queen's parents honored her with an openhouse at the L & K Restaurant.

Proud father and flowergirl share Harding subjects' appreciation of Cheryl's welcome.

Harding Cheerleaders Cavort to Excite School Spirit

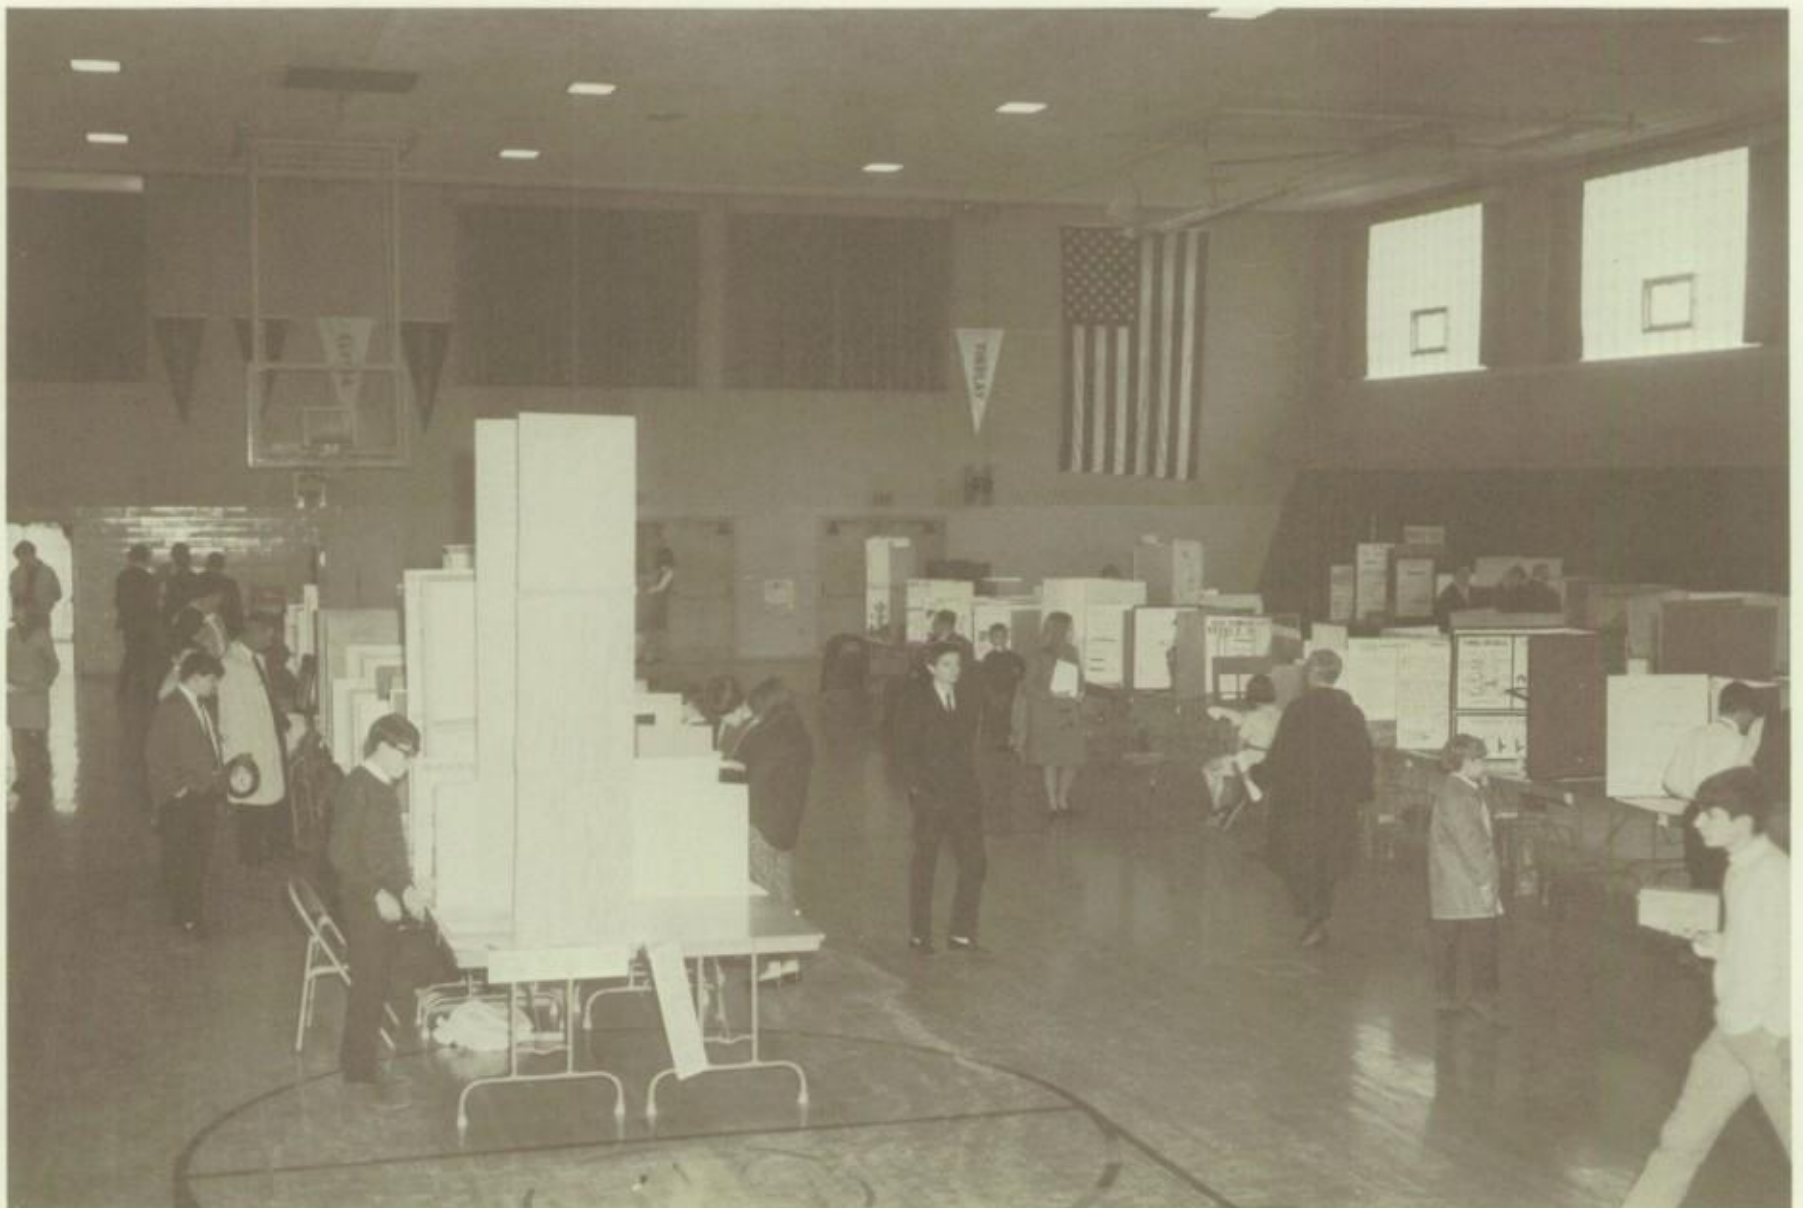

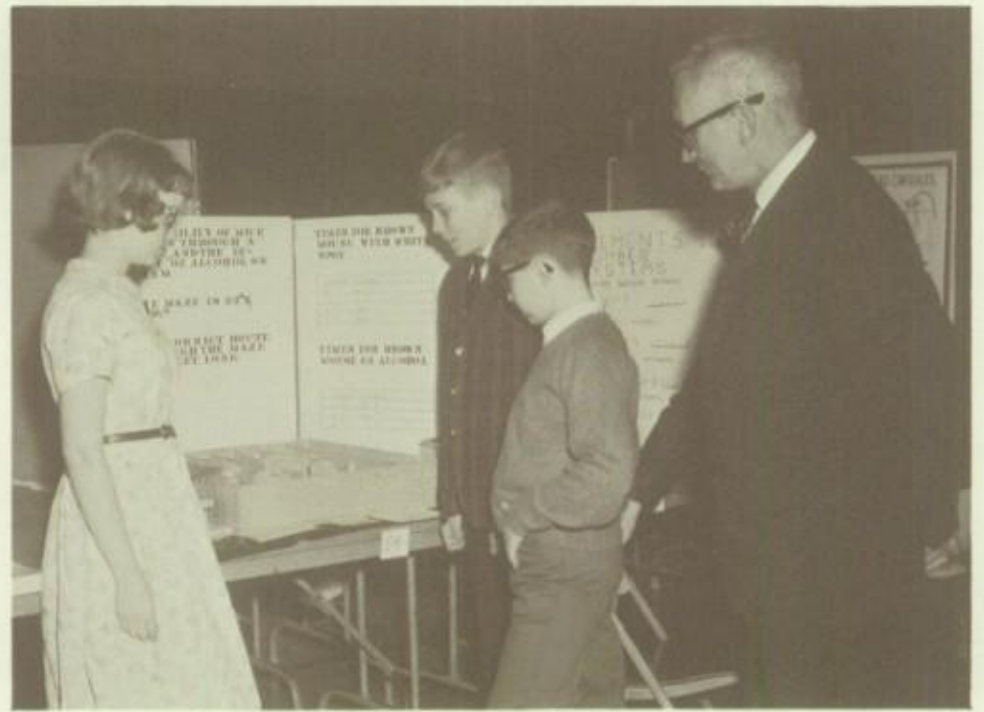

Selected each spring in open competition, the cheerleaders promote sports events, work with the Pep Club under the direction of Miss Keefe, and unify the school spirit. The varsity cheerleaders are chosen from the junior and senior classes. A '67 first was the selection of a reserve squad chosen from the sophomore class. These "yell rousers" participate at all home reserve games.

1967 CLASS SONG

The time has come to leave you
now and go our separate ways.
Our thoughts are on the work and
fun of all our Harding days.
We've gone through 12 long school
years and gained some life-long friends.
Together we have learned the future
world on us depends.

Seniors Dance Amid An Oriental Setting

ATHLETICS . . .

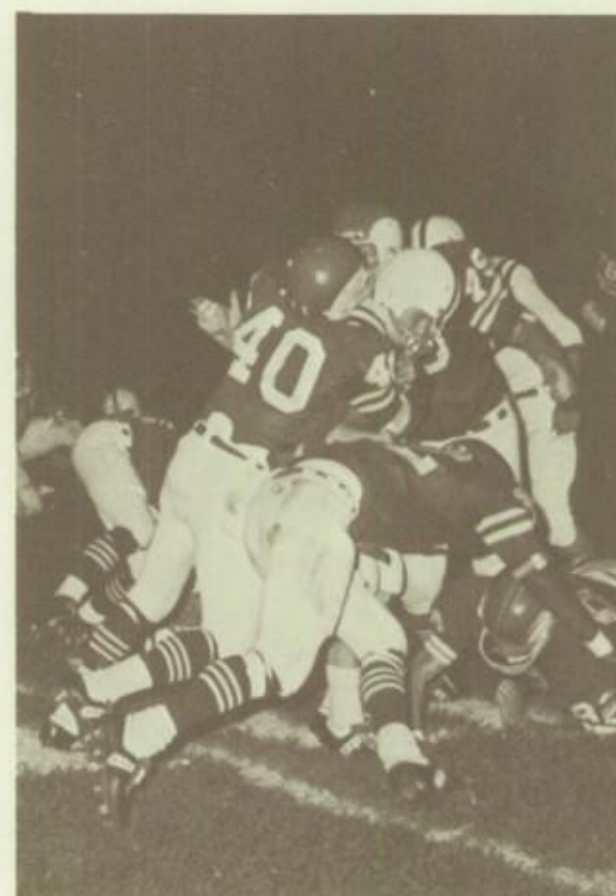

1966 Grid Season

With two wins and eight losses in the ever tough Buckeye Conference the Prexies never lost their spirit. To his anxious sports fans, Coach Jed Middleton in his first year as head Coach seemed never to be discouraged, taking one game at a time, just as he did when a ground gainer for the Prexies.

With only seven lettermen returning, it was truthfully starting from pay dirt. The Varsity H wearers were Beery, Everson, Honaker, Hughes, Stevens, Sykes and Williamson. Captains were chosen before each game according to performances noted during practice in the preceding week. Honorary captains for the year were Williamson and Beery.

Oner Kurkcu, extra point kicker, scored one field goal and 5 extra points out of an attempted 6. Berey scored 3 T.D.'s and Williamson followed with 2 T.D.'s. Honaker, Everson, Warne and Cochran each tallied 1 T.D.

Athletic Director Doyt Perry of Bowling Green University, guest speaker at the annual fall sports banquet, encouraged athletes and fans to remember this was a transitional year, one in which the boys were being separated from the men. Twenty-seven lettermen were awarded their well earned H. Sykes, middle guard, was selected as a member of the second string defensive team on the Buckeye Conference squad, with Fullback Beery, Quarterback Williamson, and End Everson receiving honorable mention on the offensive team.

New Records Set by 66-67 Cagers

Coach Dan Baker and the Harding Groundballers finished their 1966-67 season with an overall record of 16-6 including tournament play. However this record does not tell the complete story. During the cage schedule, the Presidents lost their six games by small margins.

At the annual Basketball banquet Coach Baker cited the performance of senior Ken Halbert, team captain, who established new individual game and season scoring marks at Harding. Reserve Coach Dick Brown introduced the members of his Buckeye Conference champions who posted a 16-2 record, finest reserve mark in the history of the school. Jimmy Crum, sports director of the WLW-C, was guest speaker. MC Dan Reams, president of the Harding Booster Club, presented Mr. Crum a plaque of appreciation for his enthusiasm in promoting highest athletic programs. Rev. Sidney Everson brought the invocation, and team mothers were in charge of appropriate table decorations.

Total points were 1386 with a team percentage of 68% from the foul line and 46% from the field. The Prexies had an average of 11 turnovers per game and an O.E.R. of 1.02. Eight cagemen were awarded letters.

G.A.A. Promotes Fitness and Sportsmanship

Row 1—C. Jacobs, S. Showers, J. Bailey, D. Yager, J. Reid. Row 2—S. Jackson, K. Collins, D. Ward, A. Ustas, M. Micheli. Row 3—L. Keefer, K. Yannitell, H. Cornett, V. Haycox. Row 4—N. Bender, D. Wharton, T. Darnell, G. Bailey.

The purpose of the Girls' Athletic Association, to provide femmes of Harding with a chance to promote sportsmanship, leadership, and citizenship through participation, motivated an interesting program as members met each Monday under the leadership of Miss Bobbie Bane and Miss Linda Hawk.

Activity is the password and this year was high-noted by the basketball team, a swimming party, a camping trip, a father-daughter bowling party, a volleyball tournament and participation in Pleasant High School's playday.

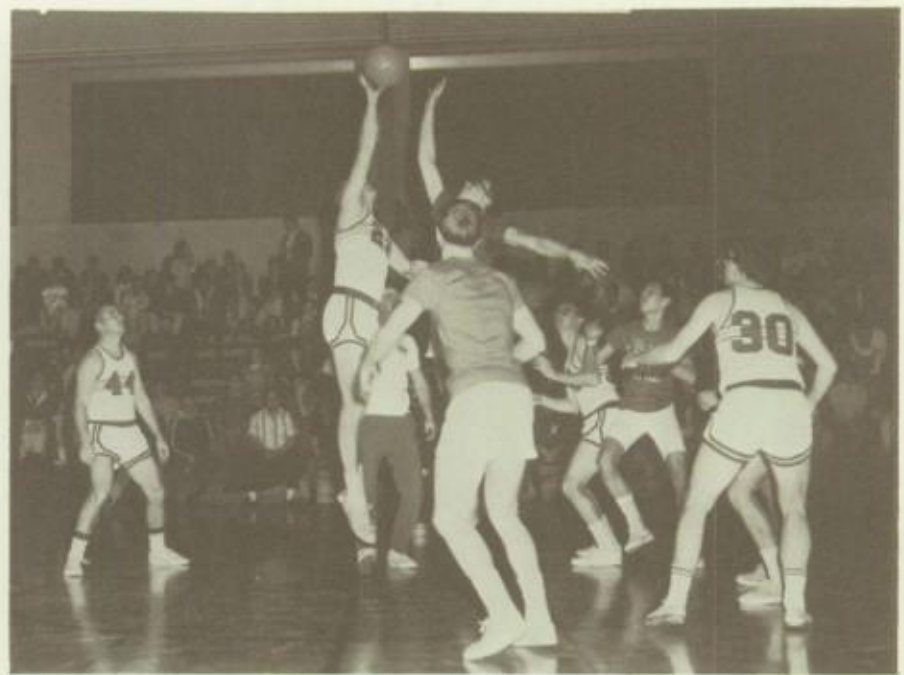

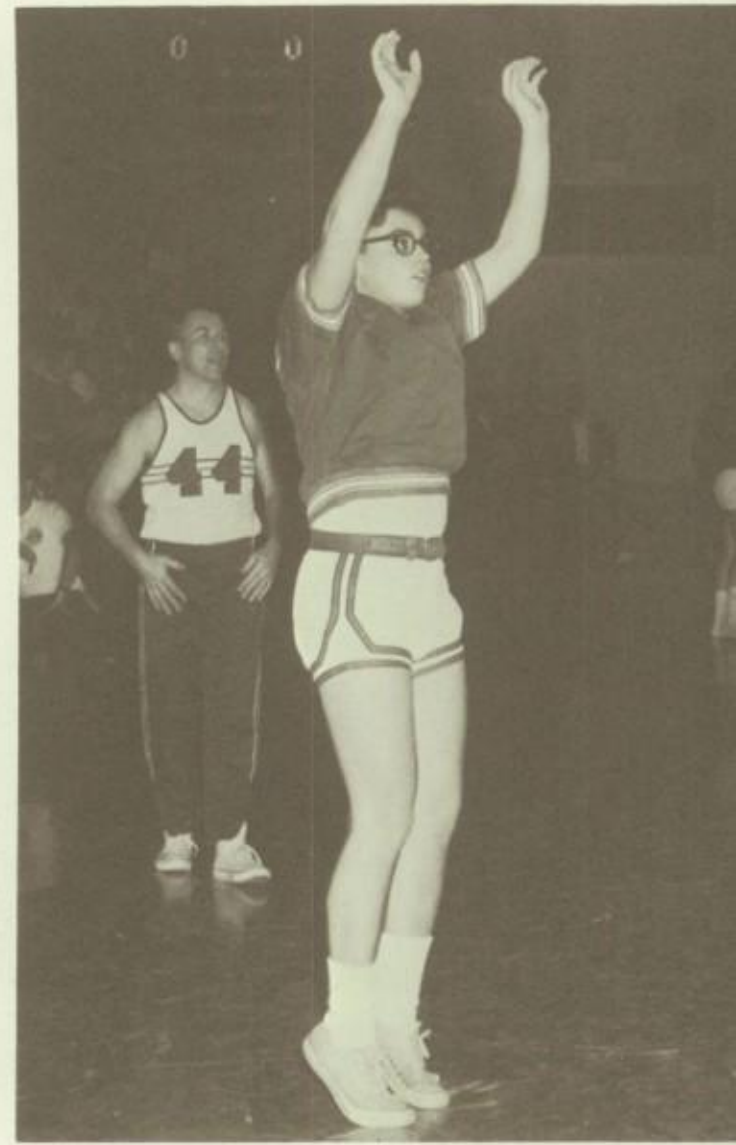

Each recreational period was preceded by a business meeting "refereed" by Officials Terry Darnell, Linda Keefer, Debbie Freese, and Henrietta Cornell.

Intramural Night Emerges Big Success

The faculty and junior class were winners at the annual Intramural Night. The program, directed by Paul O'Rourke, climaxes the intramural basketball season where many cage enthusiasts participate by home-rooms.

In the opening game, juniors downed the sophomores in a 38-35 thriller. Yells rang high from the adult cheering section when the faculty trounced the seniors 58-39. Norm Dickman led the scoring for the faculty with 16 points and Dick Penry tallied 10. Mark Francis with 7 and Pete Vogt with 6 were high scorers for the graduates.

Thinclads Score Victories

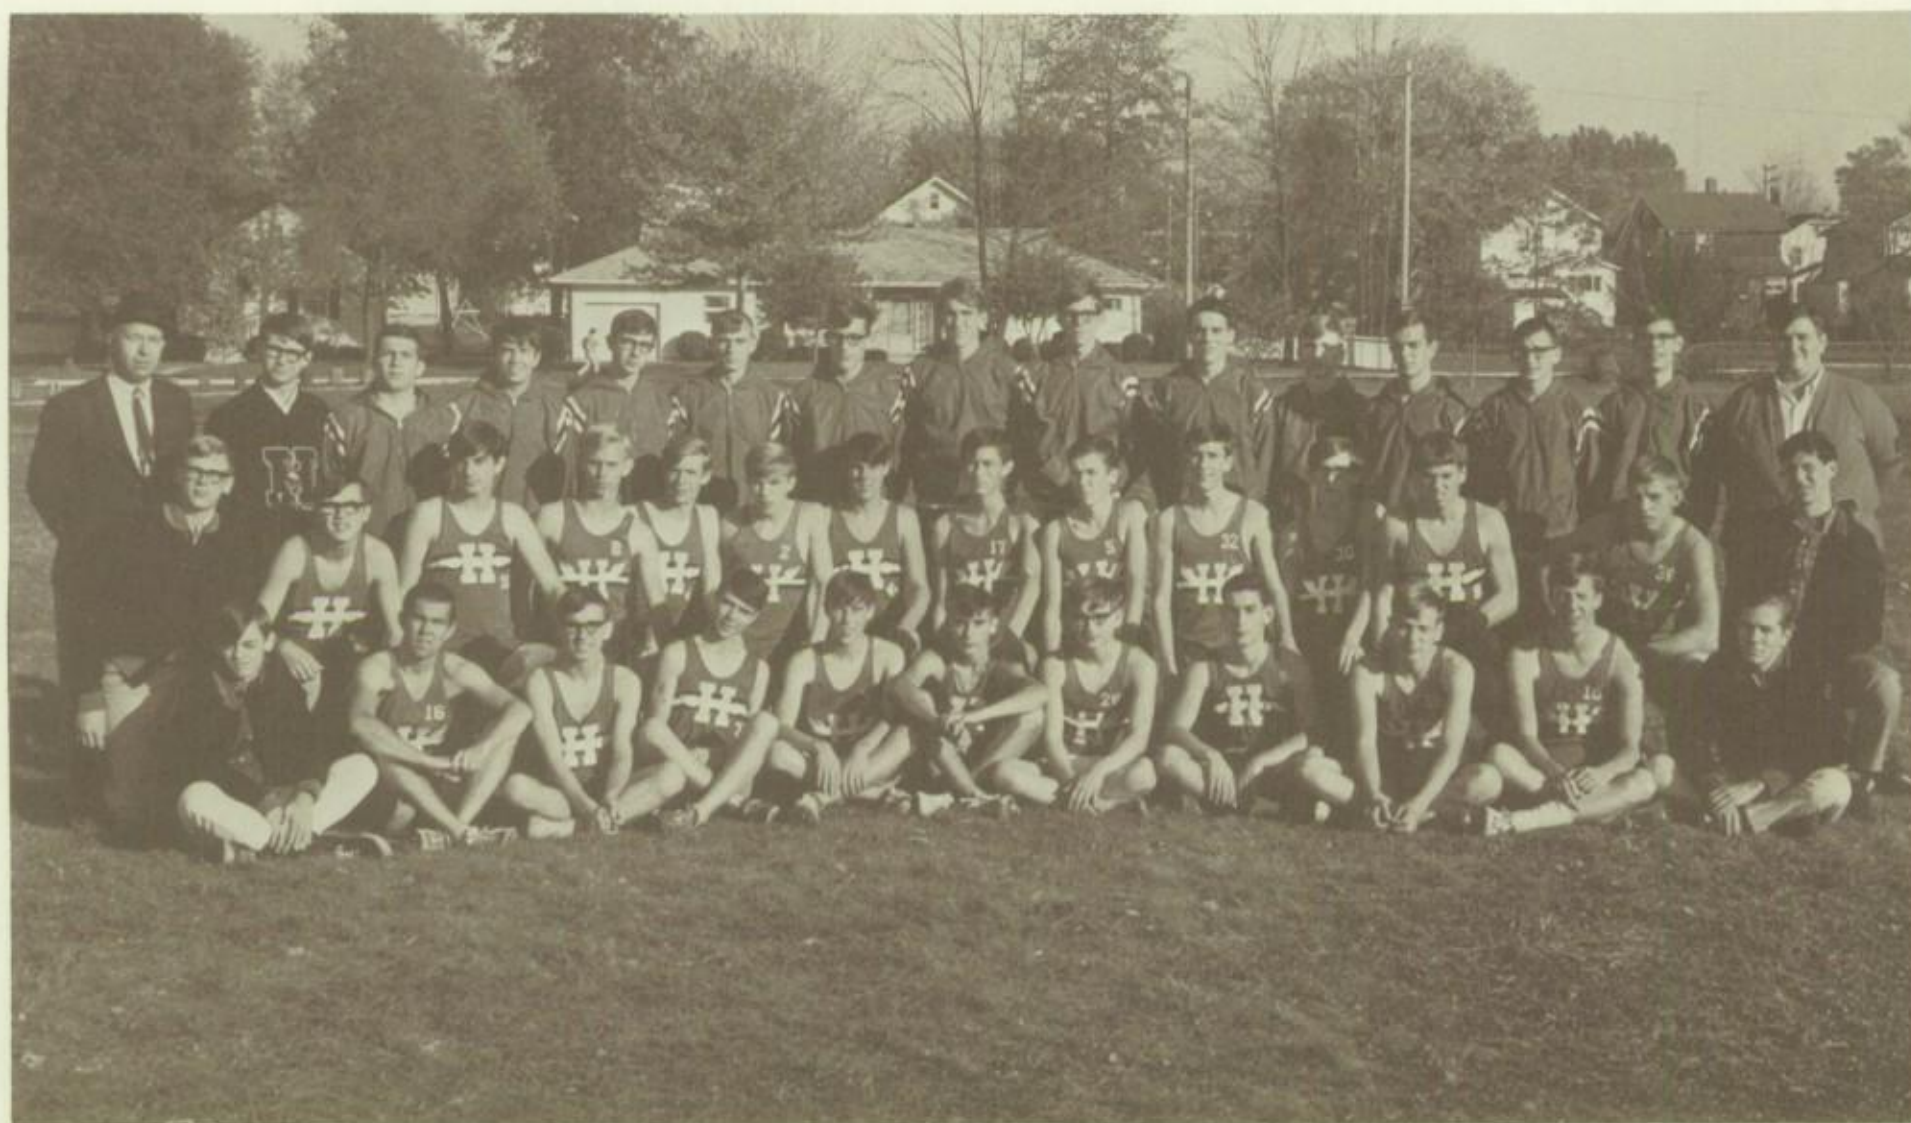

The 1966-67 cross country team, under the coaching of Kenny Somerlot, finished another fine season by defeating 5 of 7 opponents. The team was not expected to be strong, but with hard work and a strong desire the Prexy squad had a winning season.

The Prexies successfully defended their district championship laurels at Mansfield, finishing with 37 points. It was the third district title in a row and the thirteenth title in nineteen years for Harding. Bill Haviland, a sophomore, finished third to gain an All-Ohio title. At the regional meet the team came home with a very respectable fourth.

The Prexy runners were led by Captain Roger Barkley and Co-captains Bill Haviland and Ben Caudill.

Helen May has meant many things to many people. By those whose lives have benefited, because her philosophy is "I dared not judge him bad or good, if he has done the best he could," she will always be esteemed. She was an able counselor and true friend. For her kindness, her cheerful smile, her liveliness (more pep than the Pep Club) her unselfishness, and for that instant communication which she could establish, we shall remember her with deep appreciation. (We feel a loss at Harding—but can anyone who has known Helen May be a loser?)

Counselors Leave Harding

*"Make new friends, but keep the old;
Those are silver, these are gold."*

Richard Penry returned to his Alma Mater as history teacher and Counselor. Continually accentuating the positive and eliminating the negative, he corrected disciplinary failings, encouraged the best in character development, and, with his own friendliness, exemplified the best in personality. His ever readiness to listen with noticeable patience and his obvious keen sense of humor brought many students to adjustment in the hectic ways of the academic. Because of Richard Penry's demonstration of the finest qualities in his own life, we at Harding have a deeper understanding of ourselves and others.

Just Away

*Think of him faring on, as dear
In the love of There as the love of Here,
Think of him still as the same, we say
He is not dead, he is just away.*

—In memory of
ANDREW GEYER

High school memories are composed of cramming for finals, class plays, social events, warm friendships, and athletic competitions. Such recalls bring nostalgic thoughts to our departing seniors. Leading the sophomore class were Don Lister, Bob Herr, Sherry Obenour, and Jay Jenner. Capably did they direct activities which included high on the agenda the choosing of the pink rose as the class flower and the distinctive class colors of cranberry and pink. Inspired have classmates been with our motto, "Honor lies in Honest Toil."

Our junior year added more exciting events and naturally memories to our Harding years. Leadership was assumed by Bill Snyder, Randy Barnes, Kathy Cornell, and Marianne Gentzler. Excitement abounded with the purchase of our class rings, the presentation of our dramatic endeavor, "Heaven Can Wait," and the staging of our social debut, the Junior-Senior Prom.

Our senior year swiftly came upon us and all too swiftly passed. Guided by Jeff Messenger, Randy Barnes, Cheryl Barkley, and Kathy Werbel, we found that homecoming, the first Harding musical, "Oklahoma," the Prom, Baccalaureate, Senior Breakfast, climactic Commencement, Senior Dance and the early morning oriental setting lawn party left indelible impressions. Leaving Harding with plans for higher education, armed forces, or employment we look forward to our first ten year reunion.

INTRODUCING THE JUNIOR CLASS OFFICERS—
Treasurer Kris Williams, Secretary Pam Yoder, Vice
President Craig Barnhart, President Mike Milligan.

Assuming the role of "Middlemen," we, the class of '68, started the school year with the election of our officers in October. Mike Milligan, Craig Barnhart, Pam Yoder, and Kris Williams led us into our new responsibilities.

We will be remembered as the class which set a precedent by replacing the usual class ring with a Harding High School Ring. In addition, we made notable contributions to the seniors' presentation of the first intradepartmental musical "Oklahoma!" Two members of our class, Carolyn Calhoun and Karen Mendenhall, were Harding's American Field Service nominees. In the Oriental Setting of the Junior Senior Prom, for which we provided the arrangements and Coliseum decorations, we made our first major social appearance. In all phases of athletics the "Men" of our class were obviously contributing.

Last year's officers, Corky Yager, Dave White, Jackie Lord, and Cindi Haines, chaired our junior class committees. The white rose, our class flower, and kelly and light green, our class colors, symbolize us in our middle position, as we strive to launch under the banner of our class motto, "We Have Crossed the Bay, the Ocean Lies Before Us."

INTRODUCING THE SOPHOMORE CLASS OFFICERS—President Ken Eddington, Vice President Chuck Newell, Secretary Kim Keller, Treasurer Sue Baldauf.

On September 7, anticipant Sophomores took their first step toward a new and different life at Harding High School. Bulldogs, Wildcats, and Trojans, no longer rivals, combined to form the second largest class ever to invade the halls of Harding.

Educated inductees have exceptional memories and well do we recall when Ken Edington, Steve Neff, Debbie Isaly, and Becky Caldwell from Baker; Ted McKinness and Sherry Baker from Taft; and Bob Thompson, Chuck Newell, Diane Pierce, and Dave Johnston from Edison were the officers at the helm of junior high activity. Baker reigned, but had to fight hard to win the football, basketball, baseball, tournament, and track crowns.

At Harding—unified as the Class of 1969—the campaigning steam was potent and the election resulted in the selection of Ken Edington, Chuck Newell, Kim Keller, and Sue Bladauf as out '67 leaders. Student Council positions were filled by Dave Merchant, Kim Keller, Terry Conley, Jean Thomas, Jack Scott, and Diane Pierce. Ambitious and capable tenth graders were introduced quickly to the E.C. program at their new school—Harding student government, Pep Club, Tri-Hi-Y, Hi-Y, Props & Q's, G.A.A. and, as anticipated, athletes took their share of the sports program. Committees selected lavender and dark purple as our colors, the white rose, our class flower, and "Today we follow, tomorrow we lead" as our inspirational motto.

Tomorrow We Lead"

Congratulations to the Class of 1967

You are beginning your real educational career in mighty interesting times. However, we believe that a few old basic precepts will still apply, as far as the building of a successful future is concerned.

For those of you who have eyes to see and ears to hear we offer these suggestions:

"First — Pick your objective — know where you're going."

"Ambition is a virtue."

Second — Plan your attack — method of attainment.

"Plans are the most effective weapon ever placed in the hands of man."

Third — Work, eat, sleep, drink and live your plan and make prayer a part of it.

"There is no substitute for ingenuity and common sense, and there is no Royal way."

That's our best, kids—you take it from here. Good luck—God bless you and we hope we may always merit your patronage at the L-K or Royal Buffet.

THOUGHTS FOR THE 1967 GRADUATE

Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding. *Prov. 4:7*

"Based on my experiences, in many lands, with peoples of varying characteristics and customs, I reject this secular concept of the nature of the universe, and how it is ordered, and the nature of man and his place in that universe. I hold that those basically spiritual values, patriotism, piety, honor, love, duty, charity, and personal responsibility, which can neither be observed by the senses nor measured by instruments, constitute the most powerful of those forces which, in the years to come, will shape the character of our world and of its peoples!"

Get a Degree in Personal Money Management, Too

A complete education includes a sound plan for management of personal and family finances.

You may get some of the theory in school courses, but you will need to rely on your own good judgment and the counsel of a friendly, interested banker to best deal with the money problems that are part of every person's life.

One good way to proceed is to let someone at The Marion County Bank become your financial consultant—a counselor to turn to when money policy questions and problems arise.

At our Main and Center Street offices and at our Professional Park and State Street Branches you'll find experienced, helpful and friendly tellers and bank officers anxious to help you make the most effective use of modern bank services.

KIPLING

We congratulate each member of the Class of 1967. As you reach this important threshold of high school graduation, it is our hope that the knowledge gained will stimulate you to greater things and will serve you well throughout life.

You now are ready to accept the challenges of tomorrow . . . with the opportunity to apply what you have learned to the achievement of your personal goals, and to the continua-

tion of the high ideals of our free society. Past graduates of your fine school have made many outstanding contributions to our community . . . and to Marion Power Shovel Company, as well.

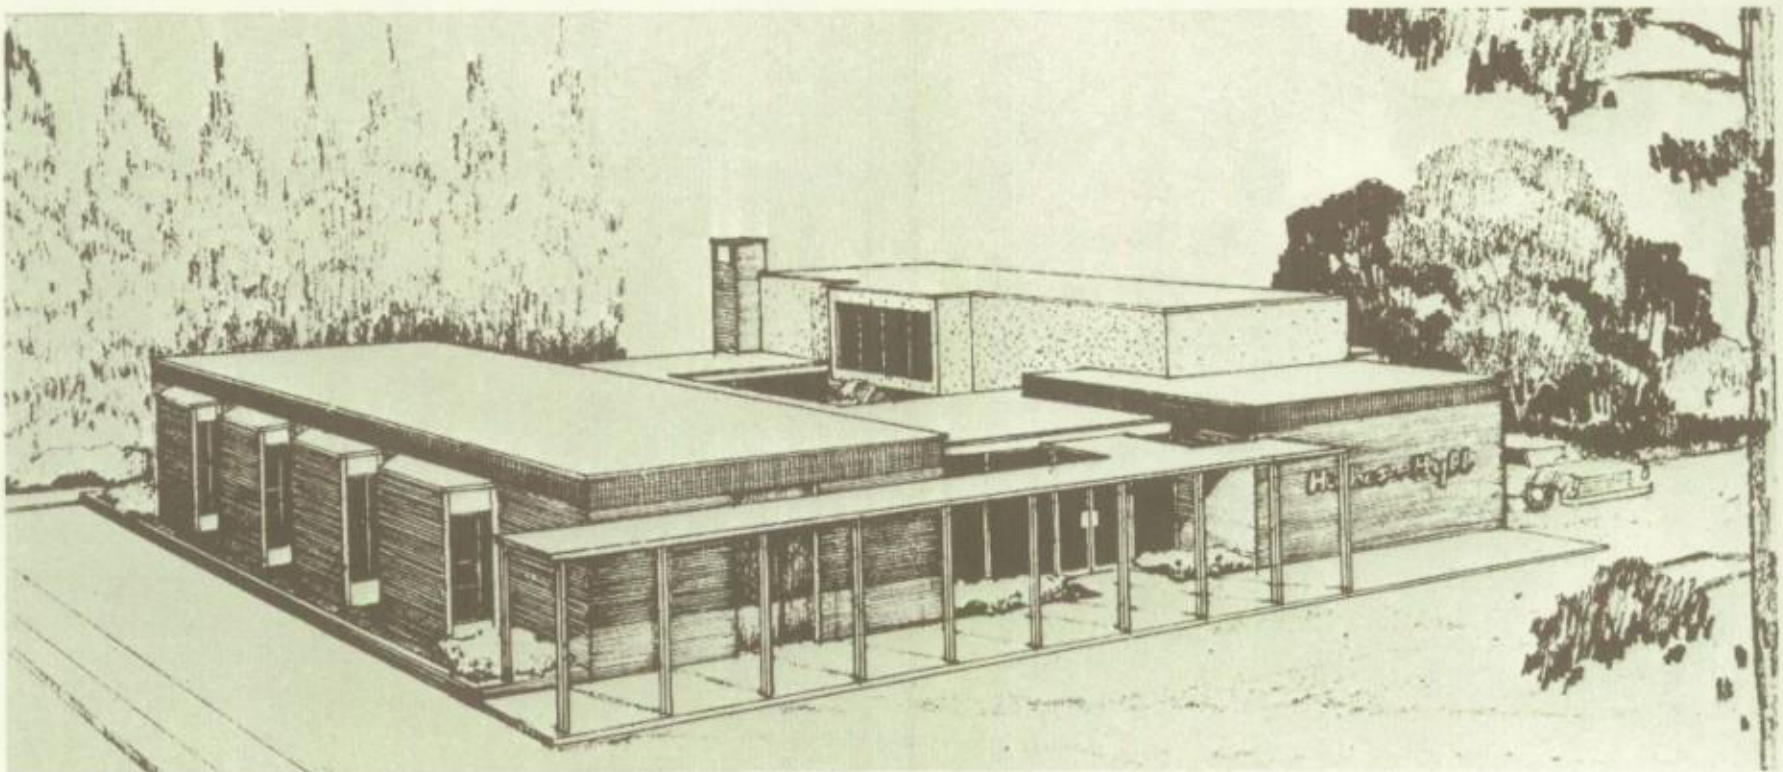

We join with your family, friends and community in an earnest wish that your life will be complete and rewarding, in whatever career you choose.

*Harding High School,
Our devotion
Grows with each succeeding year.
Proudly now we lift our voices
In a mighty cheer.
Harding High School, Alma Mater,
Old and Young repeat the cry.
Louder, stronger swells the chorus
Harding, Harding High.
Indian Mound sends back the echo
Rolling through the boundless sky.
Honor to thee, live forever,
Our beloved Harding High.*

With these final words, we bring the 1967 *Quiver* to a conclusion. The staff has sought to create a book with a character of its own. Innovations like color pictures have contributed to this effect. In the future, we hope that this *Quiver* will provide for you, the reader, a key to unlocking pleasant memories of Harding High School.

The efforts of a great many individuals have made possible the completion of this book. The staff would like to express their deepest gratitude to Miss Mary Jo Stafford and Mr. Willard Kocsovsky for their patience and guidance throughout the year. We are especially grateful to John Rall, Dale Hughes, and the other staff members at Hughes Studio for their cooperation and diligence in furnishing us with photographs of excel-

lent quality. To Jack Landry of Wm. J. Keller Inc. and Ken Schoen of S. K. Smith Inc., we extend our thanks for their assistance in *Quiver* production and cover design. We also wish to acknowledge the Marion Star and Mr. Norman Fogt for their aid in obtaining special photographs. Radio station WMRN and the Harding Herald donated valuable publicity, for which we are grateful. Finally, we wish to convey our thanks to our advertisers and patrons, and the students and faculty of Harding High School, without whom this book would not have been possible.

Your '67 Staff & Co-Editors,

*Bradford Hamilton
David Horstman*
